

Refresher Safety Training for
Yellow Medicine County Employees

2015

- **MN Employee Right to Know/Hazard Communication**
 - **MSDS – Material Safety Data Sheets**
 - **Bloodborne Pathogens and other Biological Hazards**
 - **MRSA (Staphylococcus aureus)**
- **AWAIR – A Workplace Accident and Injury Reduction Program**
- **Workstation Ergonomics: A Comfortable Workstation**
- **General Workplace Safety – Unexpected Winter Hazards**
- **Electrical Safety: Extension cords and power strips / Appliances in the Workplace Guide**
- **Emergency Action Information (Revised – 2015)**
- **EAP – Employee Assistance Program and Loss Control efforts**

This training included access to the handouts shown above.

I have received the above noted safety training materials (hand-outs) and I have reviewed this information and brought any questions to the County Safety Officer (Steve Schaub) at 320-313-3003 or steve.schaub@co.ym.mn.gov.
